

Edington Parish Hall Committee

We are planning to make improvements and to modernise the amenities and facilities of the Parish Hall so that we can respond to the growing and developing needs of the wide range of village groups and individuals, both current Hall users and potential users.

Funding resources and opportunities to support such new developments are available but are limited and it is important that any application we make for funding has evidence of support and agreement from the Hall users

We are interested in hearing the thoughts and preferences of users and potential users of the Parish Hall on which of the new developments listed below you would most like to see happen at the Parish Hall.

Please tick the box that corresponds with your chosen preference. Please tick only one box.

Edington Parish Hall Development Improvements	Tick Choice
Disabled toilets and baby changing facilities	
Kitchen Improvements	
Extra storage	
Heating & lighting	
Comment (please feel free to make a comment)	

Many thanks for taking part in this survey. Please complete your form and return it to Pauline at Edington Post Office.

Or you can send your completed form by email to Pauline at pedorgan@hotmail.co.uk

Thank you

The Edington Parish Hall Committee
