EDINGTON

PARISH HALL

APPEAL

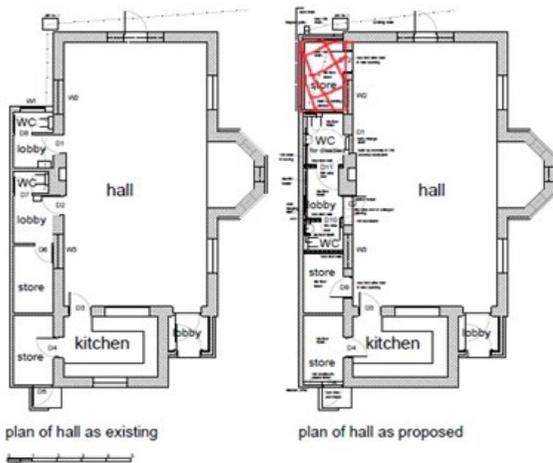

Edington Parish Hall was built in 1885 for use as a Sunday School for the Priory Church. The hall is a great asset and has been an important part of village life for over 130 years but it is now beginning to show its age.

In 1996 the hall became a registered charity and is now run by a management committee, who, having listened to feedback from users of the hall, have decided to embark on a major programme of refurbishment, development and extension.

## The Vision

- ◆ To change the existing toilets to provide disabled toilets and baby changing facilities so making the hall accessible for all
- ◆ To refurbish the existing store area off the kitchen in order to extend the kitchen facilities so that the hall is more attractive to potential users (we have already been promised a dishwasher!)
- ◆ To build a small extension at the end of the hall to provide storage for the tables and chairs. ( This area is marked in red on the plan and may form Phase 2 depending on funds being raised)

The plans have been drawn up, tenders have been submitted and we have chosen a local builder to work with us. Now all we need are the funds to fulfil our vision.

## The Cost

Based on the estimates received, we have a target of **£30,000** to provide disabled toilets and extend the kitchen facilities. But in an ideal world we can complete the whole project if we raise **£60,000**.

We have already raised over £8,000 through fundraising and donations from village organisations and a grant of £2,500 has been secured from the Westbury Area Board. We will be running a programme of fund raising events in the future.

Our treasurer is working hard to secure other grants to assist with the project. Financial support from local people will assist the applications where matched funding is a requirement.

## Every penny counts!

Over the last few years we have had to replace the old cookers with a range cooker, carry out roof repairs and replace the old chairs.

The Parish Hall is a focal point in the village and many groups use it regularly and it is their feedback that is driving this project :-

- ◆ Parish Council
- ◆ Edington Under 5's
- ◆ U3A Art Group
- ◆ Edington & District Gardening Club
- ◆ Edington & Tinhead WI
- ◆ TVM Lunches
- ◆ Pumpkin Day, Christmas Card Sale
- ◆ Edington Music Festival
- ◆ Edington Arts
- ◆ Church events

As well as the above the hall is hired for talks and lectures and by local residents who book the hall for family parties, wedding receptions, funeral wakes etc

With 21st century facilities we hope to encourage more people to book the hall.
