

**EDINGTON & TINHEAD WI
NEWS FOR FEBRUARY/MARCH 2015**

Or what do those inspiring women get up to every month?

A welcoming glass of wine/juice greeted all at our annual meeting on 10th February.

Our skittles team are doing quite well, winning more than we are losing at least.

The financial report was good as we have had successful events this year as well as raising money for the WI charity ACWW (Associated Country Women of the World) and for the 3 villages minibus.

The committee report highlighted many things over the past year including:

A visit to Stonehenge;
To a cider distillery to support people in the Somerset Levels -well a cider distillery is as good a place
as any to visit in Somerset!
Listening to Adam Henson of Countryfile extol the virtues of rare breed animals;
Recipes on the village website;
Walking with Bratton WI members to raise funds for ACWW;
Dancing with Dee dee Wilde of Pans People;
Having a cookery demo at the 3 Daggers;
Learning how to stay safe on the internet
And attending a carol concert in Devizes amongst many more activities.

We are a much smaller WI now with an age range from 30+ to 90+ and there is always something to interest all.

2 of the committee, Lynne and Anne stepped down this year, and 2 joined, Liz and Sandra. Helen was voted in as President for a 3rd year in this role.

We finished the evening with chat and a quiz including...

Which year did food rationing end?

Who wrote "Fifty shades of Grey"?

Which number is opposite 3 on a dice?

We do have challenging tasks ...really!

The programme for 2015/16 will be available on Tuesday 10th March at 7.30pm in Edington Parish hall when we will look at the stars with astronomers from Frome.

All welcome to any meeting.

We meet every second Tuesday.
