 - i. PL/2023/02368/TCA - Proposed Works to Trees in a Conservation Area.
Proposal: There are multiple trees to be cut back from the boundary between Silverwell House and Long Hollow as identified on the map.. Mixed Species. Multiple Side Prune to gain a 1.2m clearance, from the network. Crown reduce to gain a 1m clearance from the network if needed.. . The work is driven by Southern Electric Power Plc who issued a legal letter on 13 March stating that the boundary trees are interfering with their electricity cables which also run along the boundary.. . Their arborist visited on 23 March, surveyed the site and identified work that needs to be carried out by his team. This impacts multiple trees along the boundary which need to be cut back or crowned to create clearance from the cables at Silverwell House, Long Hollow for Mr Robert Smith
 - ii. PL/2023/02218/TPO - T1 - Lime - Remove 3 large low limbs (south East) directly over the asbestos roof of the out building and growing approximately 1-1.5m above ground level. Remove 4 low limbs over the lane to provide 5-6m clearance and cut back from insulated wires. Remove one medium sized limb growing west and over the embankment. Thin the remaining canopy by no more than 20%, remove any dead material.. .
