I'm happy to say that there is nothing you need to do with regard to the change. Because you pay your mortgage by direct debit, we will collect the new amount from your bank when it is due.

However, it is your total monthly payment on your mortgage that will change. This is because the mortgage is repaid over a fixed period of time. If you mortgage is still into more than one 'sub-account', the rate shown only the part that is affected by this change. The payment I quoted earlier in this letter.

I hope that I have covered everything clearly for you in this letter. Please get in touch if you have any questions about the change or about your mortgage in general. You can contact your local C&G branch or call our Customer Services. To provide you the fastest service we are open from 9.00am - 5.00pm Monday to Friday and from 9.00am - 1.00pm on Saturdays.

Yours sincerely
