

# Meet Your Police Community Support Officer

## PCSO Alice Moore's Community Visit

Our neighbourhood Police Community Support Officer (PCSO), Alice Moore, will be present at the drop-in session at the Three Daggers on 18th November 2025, starting at 10:30am. This session is designed to give residents the opportunity to meet PCSO Moore, discuss policing issues, and ask any questions they may have about policing in the local area.

## Purpose of the Visit

These visits are organised to encourage a two-way flow of information between the police and the community. They aim to promote positive relationships and ensure that PCSOs gain a thorough understanding of the needs and concerns of local residents, supporting efforts to make our neighbourhood safer.

## Get Involved

This is an ideal occasion to find out about crime and policing matters in our area, as well as to raise any concerns you might have. We encourage everyone to come along and speak with PCSO Alice Moore. By engaging in these conversations, you will help ensure your concerns are understood and receive up-to-date information about local policing initiatives.
